**SPONSORSHIP OPPORTUNITY
SUMMER 2023/24**

www.jamestownswim.com.au

FROM OUR PRESIDENTS...

It is with huge thanks and appreciation that we once again bring you an opportunity to support the Jamestown Swimming Pool and Jamestown Emperor's Swimming Club through the 2023/24 season sponsorship package. After another successful season for both the pool – with continued increases in membership, and for the Club, taking out all Upper North competition shields, with a record number of junior swimmers, we are looking forward to the 2023/24 season with lots of hope and excitement.

We still have many items on our list of plans and improvements at the pool, as our hard working band of volunteers continue to strive to make the Pool the best place to be this summer. Please see the list of projects we would like to achieve this year for further information.

Finally, on behalf of the Jamestown Pool Management Committee, I would like to extend my thanks to those individuals and businesses who supported us through this sponsorship program last season, your contribution was invaluable to our facility. We invite you to take part once again, with whatever level of sponsorship you can manage, and know that we are so very grateful! For those who missed out on the opportunity last year, or were unaware of the program, or unable to participate, we encourage you to consider supporting this very worthy community facility and club, and welcome any queries you may have. Here's to the 2023/24 season, see you at the pool!

With many thanks and kind regards, from

Jessie Hammat

Club President - JAMESTOWN SWIMMING POOL MANAGEMENT COMMITTEE

0448 669 363

The Jamestown Emperors Amateur Swimming Club thanks our 2022/23 season sponsors and welcomes renewed and new sponsorship support to continue to help finance improvements of our club facilities and increase participation in our swimming programs, as well as helping to increase the use of the pool during public hours.

JASC has evolved into a strong club with over 70 swimmers participating. The 2022/23 swimming season ended with the club winning all four trophies for the 2nd year in a row via the Upper North Interclub Competition, an historical first for the club and an historical first for the Upper North Comp. We compete in this competition on Friday nights along with Crystal Brook, Orroroo, Gladstone & Booleroo Centre.

This year we host 4 carnivals along with our very successful Statewide Open Carnival to be held on January 28th, 2024. The Open Carnival can bring into excess of over 140 competitors and swimming families every year.

Our club is continually seeking grant money for improvements to make our swimming experience the best it can be for all our members, with limited opportunities it can sometimes be hard to obtain the monetary sums we need to successfully resource our desired goals. Your help will be noticed and promoted, at our events, in our advertising, social media and on our website. Please take the time to read through the opportunities outlined in this proposal, and see what fits your needs. We look forward to receiving your support.

Thanks again, and kind regards, from

Tracey Dewell

WORKING AS ONE...

The Pool Management Committee and the Jamestown Amateur Swimming Club are committed to work together to help provide the perfect swimming environment for our community and our swimmers. We'd love to work with you to continue this journey, and meet our objectives.

Our objectives are:

- Provide a great location for the community to spend time as a family and stay closer to home especially during times of uncertainty.
- Have programs to help teach children swimming as a life skill such as vacation swimming, coached swim club programs, school swimming and SAPSASA.
- Provide a place for teenagers and older kids to get together in a supervised location that is fun and safe.
- To provide a quality environment for the pursuit of health, fitness, fun and social connection.
- Provide a place of employment for locals to lifeguard.
- Continue to improve the pool facilities.
- Encourage more membership, by keeping the cost of membership affordable.
- Understand the needs of our community and adapt our swimming times, prices, programs and facilities to suit.

OUR WINS & OUR GOALS

With your support we have managed to secure some incredible improvements to our facilities!

What we've done so far...

1. **Security System Outside and Inside** - keeping our pool safe from thieves.
2. **New Flooring in Clubrooms** - paint chip flooring perfect for wet feet.
3. **New Cupboards in the Clubrooms** - our trophies are looking great now.
4. **New 14m Pool Banner** - to offer Club promo and privacy on Eastern Fenceline.
5. **Concreting and Diving Blocks for both ends of the pool** - Carnivals are amazing.
6. **Storage Area Upgraded** - old toilets removed and shelving added, more space.

With your continued support we hope to keep improving the swimming experience for all.

Our future plans...

1. **Roller Door added to Storage Room approx \$1000** - to make access easy for pool equipment.
2. **Perspex Added to all Screen Doors approx \$600** - to fix dust issues.
3. **Multimedia Setup for Clubrooms approx \$1500** - Make the clubrooms worthy of being a meeting room with a Smart TV and Sound system, also ideal for poor weather club training.
4. **Blinds for Clubroom Windows approx \$4000** - horizontal blinds to cut down the glare in the clubrooms for the multimedia setup.
5. **Canteen Upgrade approx \$3000** - new fridge and reverse cycle air conditioning installed.
6. **New Training and Racing Lane Ropes approx \$6700** - Lane ropes are getting brittle and need replacing, used for carnivals including Friday nights, Open Carnival and School Carnivals and for training sessions.
7. **Dolphin Timing System approx \$15,000** - club would like to have the timing system for Friday nights, open carnivals, use at training, SAPSASA trials.
8. **New Perspex added to Swimming Clock approx \$200** - current perspex has become foggy due to weathering, hard to read.
9. **New Recycle Bins Approx \$1000** - possibly in the shape of a penguin. Old bins need replacing.
10. **New LED Entrance Lighting on a Timer with a Dimmer approx \$500** - lights that last and will brighten when people are detected nearby as a deterrent for intruders.
11. **Water Feature for the Baby Pool approx \$2000** - looking at a mushroom to add more fun.
